

Welcome to Crestwood Public School!

Crestwood P&C Association

Who we are

Crestwood P&C brings together members of our school community, mostly parents and teachers – though we welcome everyone in our community! We provide ways for the community to get involved in life at Crestwood and raise funds for important school resources.

What we do

Our core activities include:

- Raising funds for school resources
- Canteen
- Uniform Shop and pre-loved Uniform Shop

Events

Throughout the year, we organise many events at Crestwood including:

- Welcome to Crestwood morning tea
- Easter Raffle
- Mothers' and Fathers' Day stalls
- Working bees
- Annual disco
- Christmas parent pantomime

Volunteering at Crestwood

The majority of our activities and events are coordinated and led by volunteers. There are also many opportunities to support activities behind the scenes. We know how difficult it can be to balance school, work and life in general and try to cater our opportunities for everyone. These include both one-off and regular commitments, school-based and out-of-school hours activities.

If you are interested in getting involved, we have an opportunity for you that fits your lifestyle and availability!

All volunteers in NSW schools must complete Appendix 5 declarations. These can be handed in at the school's front office.

Kindy park play

In January, we will arrange one to two new kindy park play sessions at Crestwood Reserve. Stay in touch using our contact points below for dates and times. Otherwise, drop us a line at crestwoodpublicschool@pandcaffiliate.org.au and we can keep you in the loop via email.

Stay in touch

You can stay in touch with all our activities through our regular updates in eNews. We also post regular updates on the P&C Facebook page, website and through WeChat.

Regular meetings

Throughout the year we have meetings on the second Tuesday of the month during term time, at 7.30pm in the School Library or Zoom. These are a great chance to connect with other parents, hear what is going on at Crestwood and provide input in to our activities at school.
