

Crestwood Public School Canteen

Our canteen

Crestwood P&C runs the school canteen, with a combination of employees and volunteers. Our canteen operates Monday to Friday for Crunch N' Sip, recess and lunch.

Orders can be placed via Munch Monitor and children can also purchase items over the counter (from Term 2 for Kindy students).

Volunteering

Our canteen relies heavily on volunteers to provide a reliable service and it's a fun way to see your kids at school too!

Volunteer shifts can be as little as one hour, and on a regular or ad hoc basis. There are lots of different ways to help out, like preparing food, serving children or packing lunches.

Put your hand up and let us know at crestwoodpsandccanteen@gmail.com

Online ordering

We use Munch Monitor for online ordering for both recess and lunch. **Lunch orders can only be placed online.**
